

<p style="text-align: center;">Minutes of the Meeting of the University Curriculum Committee December 16th, 2014</p>
--

Bernard Mair convened the UCC at 1:30 in Tigert Hall.

Members Present: Bernard Mair, Joel Brendemuhl, Timothy Brophy, H. Wind Cowles, R. Paul Duncan, Christopher Janelle, Angela Lindner, John Mecholsky, David Pharies, Steve Pritz, Brian Ray, Edward Schaefer, Lauren Solberg, Venita J. Sposetti, Catherine Striley, Hans van Oostrom, and Andrew Wehle.

Liaisons: David Julian

Guests: Brittany Adams, Amy Blue, Esther de Jong, Robert Fox, Martha McDonald, Robin Rossie, Toby Shorey, Bryan Weber, Jianguang Xue, and Henry Zmuda.

1. Approval of minutes of November 18th, 2014 meeting. Approved.
2. Update from the Faculty Senate. 2018-2019 academic calendar was approved.
3. Proposed RN to BSN Degree Program. Effective Spring 2015. Dr. Weber presented. Conditionally approved. The program will be completely approved when all the courses have been approved. They are approved to admit students in Spring 2015 since the first year courses are ready to be offered.
4. Proposed termination of Rehabilitative Services Minor. Effective Spring 2015. Dr. Blue presented. Approved.
5. Proposed revisions of Bachelor of Science - Tourism, Event and Recreation Management. Effective Fall 2015. Dr. Janelle presented. Approved.
6. Proposed revisions of Bachelor of Science - Sports Management. Effective Fall 2015. Dr. Janelle presented; recycled for semester plan updates.
7. Proposed Revision of Bachelor of Science - Materials Science and Engineering. Effective Fall 2015. Dr. Xue presented. Conditionally approved pending credit reduction and updated language concerning transfer students.
8. Proposed revision of Bachelor of Science - Electrical Engineering. Effective Fall 2015. Dr. Fox presented. Recycled with a request for updated documentation,
9. Proposed revision of Bachelor of Art - Criminology. Effective Summer 2015. Dr. Pharies presented and requested that only the general education changes in the request be reviewed. Approved.
10. Proposed revision of Bachelor of Science - Botany. Effective Spring 2015. Dr. Pharies presented. Conditionally approved pending new documentation.

11. Proposed revision of Bachelor of Art in Education - Unified Elementary/Special Education ProTeach. Effective Spring 2015. Prof. de Jong presented. Approved.
12. Proposed revision of Bachelor of Science - Sustainability and the Built Environment. Effective Spring 2015. Dr. Wehle presented. Approved.
13. Proposed revision of the Honor Roll and Dean's List Requirements. Dr. Mair presented. Approved.

14. Proposed Gen Ed State Core Updates

Business Administration

- Accounting – approved

Education

- Early Childhood Education ProTeach – approved
- Unified Elementary/Special Education ProTeach – approved

Health and Human Performance

- Athletic Training – approved
- Applied Physiology and Kinesiology – approved
 - Exercise Physiology – approved
 - Fitness/Wellness – approved
- Community Health Promotion – approved
- Event Management – approved
- Recreation Management – approved
- Tourism and Hospitality Management – approved

Journalism and Communications

- Telecommunications – approved

Liberal Arts and Science

- African American Studies – approved
- Astronomy – approved
- Biology – approved
- East Asian Languages and Literatures – approved
 - Chinese – approved
 - Japanese – approved
- Economics – approved
- German – approved
- History – approved
- Portuguese – approved
- Psychology – approved
- Psychology (UF Online) – approved
- Religion – approved
- Sustainability Studies – approved
- Women's Studies – approved

The Arts

- Digital Arts & Sciences

15. Notice of items from the Academic Assessment Committee (information only)
- None
16. Notice of items from the Graduate School (information only)
- Removal of the Biostatistics concentration from Master of Science in Epidemiology
 - Removal of the Health Management and Policy concentration from Master of Science in Epidemiology
17. Notice of new graduate certificates (information only)
- Biomedical Informatics
18. Notice of changes to graduate certificates (information only)
- None
19. Proposed new undergraduate certificates
- Medical Anthropology – recycled
 - Challenge 2050: Global Leadership and Change – approved
20. Proposed changes to undergraduate certificates
- none
21. Proposed new professional certificates
- none
22. Proposed new undergraduate courses
- Agricultural and Life Sciences**
- ALS49XX – Supervised Extension Experience in Agricultural and Life Sciences – approved
- Design, Construction and Planning**
- DCP4912 – Undergraduate Research in DCP – approved
- Engineering**
- EMA4XXXL – Polymers Laboratory – recycled
 - EMA4XXXL – Metallurgy Laboratory – recycled
 - EMA4XXXL – Biomaterials Laboratory – conditionally approved
 - EMA3XXX – Sophomore Materials Laboratory – conditionally approved
 - EMA2XXX – Polymer Characterization – approved
- Journalism**
- PUR4910 – Public Relations Undergraduate Research – conditionally approved
 - PUR3XXX – Public Interest Communications – recycled
- Liberal Arts and Sciences**
- PCB3XXX – Principles of the Biotechnology Industry – conditionally approved
 - AMH3XXX – African American and Latino Histories – conditionally approved

- ITT3XXX – Gangsters and Godfathers: Italian Mafia Movies – conditionally approved
 - INS4905 – Individual Work in International Studies – conditionally approved
 - JST2XXX – Women and Politics in Israel – conditionally approved
 - WOH4930 – History Research Seminar: World History – conditionally approved
 - INS4911 – Undergraduate Research International Studies – conditionally approved
- Nursing**
- NUR3175 – Seminar in Professional Nursing – conditionally approved

23. Proposed changes to undergraduate courses

Business Administration

- GEB4906 – University Scholars – recycled

Design, Construction & Planning

- DCP4930 – Special Topics of Design, Construction and Planning – recycled

Engineering

- EMA3414L – Electronics Materials Laboratory – approved
- EMA4913 – Research in Materials Science and Engineering 1 – recycled
- EMA4623C – Process Metallurgy – conditionally approved
- EMA4161C – Physical Properties of Polymers – conditionally approved
- EMA4041L – Advanced Ceramic Laboratory 1 – approved

Liberal Arts and Sciences

- HIS3942 – History Practicum – approved
- STA4702 – Multivariate Statistical Methods – approved
- STA4853 – Introduction to Time Series and Forecasting – approved
- STA4222 – Sample Survey Design – approved

24. Proposed new professional courses

- None

25. Proposed changes to professional courses

- None

26. Proposed new joint courses

- CHM41XX – Electronics and Instrumentation – recycled

27. Proposed changes to joint courses

- STA5701 – Applied Multivariate Methods – approved
- STA5856 – Applied Time Series Methods – approved
- STA5223 – Applied Sample Survey Methods – approved

28. Proposed new 5000 level courses

- None

29. Proposed changes to 5000 level courses

- None

30. Notice of new graduate courses (information only)

- PHC7XXX – Advanced Biostatistical Methods I
- PHC6XXX – Biostatistical Computing
- PUR6XXX – Financial & Business Essentials for Communication Professionals
- MMC6XXX – Digital Social Advocacy
- PUR6XXX – Corporate Reputation & Communication
- MMC6XXX – Global Activism & Social Change Communication
- PHC6XXX – Introduction to Biostatistical Theory
- ANS6XXX – Current Topics in Microbial Physiology in Animals
- ARC6XXX – LEED for Sustainable Design & Construction
- EES6932 – Modeling the fate of air pollutants
- MMC6XXX – Social Media Ethics

31. Notice of changes to graduate courses (information only)

- FYC6320 – Community Development

Meeting adjourned at 3:04 p.m.
