24. Rationale and Placement in Curriculum

This is a required course in the aerospace engineering BS degree program. It is typically taken during the senior year. EGN3353C is no longer required in the aerospace engineering BS degree (pending curriculum revision) with EAS4101 being the appropriate prerequisite in the revised BS curriculum.

Syllabus Requirements Checklist
   The University's complete Syllabus Policy can be found
   at: http://www.aa.ufl.edu/Data/Sites/18/media/policies/syllabi_policy.pdf

The syllabus of the proposed course **must** include the following:

- [ ] Course title

- [ ] Instructor contact information (if applicable, TA information may be listed as TBA)

- [ ] Office hours during which students may meet with the instructor and TA (if applicable)

- [ ] Course objectives and/or goals

- [ ] A weekly course schedule of topics and assignments.

- [ ] Methods by which students will be evaluated and their grades determined

- [ ] Information on current UF grading policies for assigning grade points. This may be achieved by including a link to the appropriate undergraduate catalog web page: https://catalog.ufl.edu/ugrad/current/regulations/info/grades.aspx.

- [ ] List of all required and recommended textbooks

- [ ] Materials and Supplies Fees, if any

- [ ] A statement related to class attendance, make-up exams and other work such as: *"Requirements for class attendance and make-up exams, assignments, and other work in this course are consistent with university policies that can be found in the online catalog at: https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx."*

- [ ] A statement related to accommodations for students with disabilities such as: *"Students requesting classroom accommodation must first register with the Dean of Students Office. The Dean of Students Office will provide documentation to the student who must then provide this documentation to the Instructor when requesting accommodation."*

- [ ] A statement informing students of the online course evaluation process such as: *"Students are expected to provide feedback on the quality of instruction in this course based on 10 criteria. These evaluations are conducted online at https://evaluations.ufl.edu. Evaluations are typically open during the last two or three weeks of the semester, but students will be given specific times when they are open. Summary results of these assessments are available to students at https://evaluations.ufl.edu/results."*

It is **recommended** that the syllabus contain the following:

- [ ] Critical dates for exams or other work

- [ ] Class demeanor expected by the professor (e.g. tardiness, cell phone usage)

- [ ] The university's honesty policy regarding cheating, plagiarism, etc.

  Suggested wording: UF students are bound by The Honor Pledge which states, "We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code. On all work submitted for credit by students at the University of Florida, the following pledge is either required or implied: "On my honor, I have neither given nor received unauthorized aid in doing this assignment." The Honor Code (http://www.dso.ufl.edu/sccr/process/student-conduct-honor-code/) specifies a number of behaviors that are in violation of this code and the possible sanctions. Furthermore, you are obligated to report any condition that facilitates academic misconduct to appropriate personnel. If you have any questions or concerns, please consult with the instructor or TAs in this class.
