Change Course Description? No

Change Prerequisites? No

Change Co-requisites? No

Rationale This course was designed to fulfill a requirement for the Innovation Academy's Minor in Innovation. After having been taught for several years now, the instructors, the Innovation Academy Director (Jeff City), the Innovation Academy advising staff, and the Chair of the Philosophy Department (John Palmer), where the course is housed have all agreed after the annual review of the course that the course title "Ethics and Innovation" is will better convey to students a sense of the content of the course.
