**1. Approval of minutes of January 18, 2011 meeting.**

Minutes were approved as modified to remove changes that happened subsequent to the meeting and put them at the end as an addendum.

**2. Update from Faculty Senate.**

The process is in motion to have the faculty elected co-chair of the UCC report to the Senate Academic Policy Committee on actions from the UCC.

**3. Proposed Course Review Committee. Dr Mair**

A proposal was submitted based on the action of a subcommittee chaired by Elaine Turner to have a subcommittee review all course proposals brought before the UCC and make recommendations for action prior to each meeting. The committee suggested changes to the proposal meant to clarify the conditional approval process, and specifying that college reps are responsible for communicating to their departments that if there are subcommittee concerns with a specific course, changes can be made prior to review of courses at the full UCC meetings. The proposal was conditionally approved pending these clarifications. Committee members are encouraged to let the chair and co-chair know if they would like to serve on this subcommittee.

**4. Proposed change in language requirements for Art History minor, effective Summer B 2011. Dr Schaefer**

This change was approved.

**5. Proposed creation of Sustainability and the Built Environment minor, effective Fall 2011. Dr Carr**

Item withdrawn by college prior to the meeting.

**6. Proposed changes to BA in Digital Arts and Sciences curriculum, effective Fall 2011. Dr Schaefer**

The requested change updates the curriculum in this major that was previously approved but is only now beginning to be offered. The changes were conditionally

approved pending approval of the new course requests and submission of critical tracking courses for the program.
