Dean's Report

- a. Education Library Renovation Update – remodeling of the education library should begin in August and last four months. The remodel will include new furnishings with extra seating for students as well as computer labs, a maker space and extra power outlets.
- b. Other Building Projects
 - Starbucks in Library West is being refreshed during the Summer 2017 with new exterior doors & more square footage.
 - A lactation room has been added to Marston Science Library.
 - AFA plans are being finalized and will include a multi-purpose room, reconfiguring of staff desks and adding of new office spaces.
- c. ORCID Resolution & General Information – Resolution needs to go up to vote in ULC before the end of the year, Angela will reach out to all ULC members to see if there is a best day in March they can all meet.

Education Library Tour – Rachael Elrod

Group went on a guided tour of the Education Library, where they were shown where the renovations would take place as well as other things the library has to offer faculty and students.

Wrap-up/Agenda Topics for Next Meeting

Reschedule March, work with Angela on a date for voting on ORCID Resolution.
