Subject: Academic Integrity, Ambassadors of Civility and Ethics

Dear Dr. Mair,

I am writing to you on behalf of the Ambassadors of Civility and Ethics (ACE). We are a student organization sponsored by the Dean of Students office. Our purpose is to spread awareness of the honor and conduct codes within the student body. At recent faculty senate meeting they discussed how they could measure academic integrity within the student population. I contacted the chair of faculty senate, Dr. Mecholsky, to offer our services in conducting a survey and performing any other activity deemed necessary to gage and influence the atomosphere of integrity on campus. Dr. Mecholsky informed me that an academic task force has already been formed. We are very eager to participate in any way we can. Please let me know if this will be possible. Thank you very much for your time.

Very Best,

Victoria Ajayi
