

# Academic Policy Council Minutes

February 18, 2015  
McCarty D Room 1031B  
3:00 p.m.

## Attendees

Craig Tapley, Beverly Sanders, Renée Goodrich, Jessica Aaron, Hans van Oostrom, Alison Reynolds, Bernard Mair, and Sue Alvers

## Call to Order

Renée Goodrich, Chair, called the meeting to order at 3:05 p.m. and the January minutes were approved.

## Online course/faculty evaluations

- Renée will email Bernard Mair and Pradeep Kumar to ask if they can send recommendations to faculty about improving online course evaluations.
- A suggestion was made to ask Pradeep to talk to President Fuchs about sending out a message to students explaining the importance of student responses to online course evaluations.

## Role of Faculty governance in UF Online –

- Concern was raised about Pearson representatives adding themselves to online classes in UFOnline. Many faculty feel like they have lost control of their UFOnline classes.
- The UFOnline diploma reads the same as the University of Florida diploma. It has the degree earned, but does not indicate that it was online.

## Teaching and Global Issues

- Matt Jacobs, Director of QEP, will be at the March council meeting to explain how to get internationalization in some of our courses. Also, he will explain the difference between international education and globalization.

## Explore T/TH class schedule options

- Renée invited the Registrar to attend a council meeting to discuss the T/TH schedules. She is waiting for a response.
- Suggestions:
  - Should we have a faculty and student survey about this issue?
  - Should we change T/TH blocks to 1.5 hours instead of two?

## New Faculty Title – Professor of Practice

- Discussion at next APC meeting of latest draft proposal by Associate Provost.

## New Business

- Beverly Sanders shared her experience with making the curriculum process. She reported that to make a minor change in her college's curriculum, she had to send many emails. Bernard Mair mentioned that making changes to curriculum should not have been that involved and explained the process. To improve communication on changing curriculum, he will add written procedures to the website.

The council adjourned the meeting at 4:30 p.m.
