Notes from interview with Dr. Bill McArthur (training grant PI) He cannot be present but he sent the following comments

No incentive for faculty to be a PI on training grants—recruitment of top students to UF is very difficult—huge amount of record keeping work—documentation for resubmission (track students) is onerous--multi advisory internal/external/site visits are often required but who bankrolls these events?—lack of support from Deans—no facilities support and no clerical, fiscal resources available.

Setting Agenda and election of chair-elect for next meeting (April 29)—
Michael Marsiske will discuss his training grant experience
