

**Research & Scholarship Council Minutes**  
**October 8, 2014 1 p.m.**  
**Marston Library Room L-136**

**Attendees:**

Edith Kaan  
Irene Cooke  
Jorg Peters

Sue Alvers  
Mindy Menn  
Gillian Lord  
Stephanie Gray

Sobha Jaishankar

Jorg Peters called the meeting to order at 1:05 p.m. The minutes were approved. Dr. Peters noted that Provost Glover will be attending the November meeting to discuss Academic Analytics.

**Inflow and Outflow of research dollars** – Stephanie Gray, Director, Sponsored Research

- Stephanie Gray gave a power point presentation on the grant funding UF received as of today and facilities and administrative cost return on research dollars. Of the indirect costs recovered on projects during the previous fiscal year:
  - 10% went to the PI
  - 7.5% to the Department
  - 7.5% to a center (if applicable)
  - 75%-82.5% (remainder) to the college
- Actual expenditures are going up and research dollars are going down.
- Under RCM, the costs of “service units” are recovered from the units. After the indirect costs are returned to the PI, department, center and college, each unit is assessed a fee based on their direct cost expenditures. Those costs are used to run the support units.
- Those that do not have grant writing experience can contact the Sponsored Research Office for assistance.

Meeting was adjourned at 2:36 p.m.
