UF F&A Rate Negotiation & Recovery

UF F&A Rate Negotiation & Recovery

F&A Return

Of the indirect costs recovered on projects during the previous fiscal year:

- 10% to the PI
- 7.5% to the Department
- 7.5% to a Center (if applicable)
- 75%-82.5% (remainder) to the College

UF Policy:

SPA (RCM) Usage

Under RCM budgeting, the costs of Service units like the research enterprise are recovered from the units. After indirect costs are returned to the PI, department, center and college, each unit is assessed a fee based on their direct cost expenditures. Those costs are used to run the support units. The SPA recovery is used as follows:
