- Chris Hass gave a report on the Research Deans meeting he attended last month.
- Conversation went well, however, the Deans did not know about the Research and Scholarship Council.
- Suggestion: A SCORS member should attend future Research Deans gatherings.
- It's important to keep a line of communication open with the Deans
- Concern was mentioned about the new online IRB. Valrie mentioned that it might be best for SCORS to wait a year after its complete conversion before having a discussion on the new online IRB.

Continued discussion: Academic Analytics

- Members thought that Provost Glover should give a presentation on Academic Analytics to the Senate.
- Concern was raised that some data might be missed or wrong in the Academic Analytic database.
- Suggestion: SCORS should write a Best Practices and Concerns about Academic Analytics.
- Valrie will ask Provost Glover to give an Academic Analytics update at a Faculty Senate meeting.

- Valrie contacted Don Bolser who is on the RCM Task Force. Dr. Bolser offered to attend a SCORS meeting to give a report on the task force's recommendation on IDCs.
