

Infrastructure Council AGENDA

Chair: Mark E. Orazem

February 25, 2011 (Smathers Library (East) Conference Room 2B @9:30-11:00 AM)

Infrastructure Council Mission Statement: To establish policies and procedures for academic infrastructure and support in cooperation with the President of the University and the Faculty Senate. This includes coordinating the work of operation committees that contribute to the physical framework of the campus community. Our goal is to achieve standards of excellence for the interdependent network of facilities and services essential to a top-tier public research university.

Responsibilities of the Infrastructure Council: This council's area encompasses the University's infrastructure supporting the University's academic mission, including the provision of physical facilities and other physical resources; libraries; information technology; the campus master plan; and the availability of adequate computer, classroom, laboratory and other resources.
