The meeting was called to order at 10:00 by Jay Watkins. January minutes were approved.

Reporting Committees

- Steering Committee – Jay Watkins
 - Cheri's coordinating a task force on Open Access. There's been resistance to the draft policy and she hopes this will continue the discussion.
 - A new IT Subcommittee was formed. There are faculty representatives from all colleges who will meet and give feedback and suggestions to the CIO. Frank Bova is the chair with Elias Eldayrie as the liaison.
 - mentioned that there will soon be a new subcommittee of the Infrastructure, Academic
- University Libraries Committee – Mario Poceski
 - Library is participating in a survey about using the library.
 - ULC is hoping that the Open Access policy will make it through the Senate before the end of spring semester

IT Update – Elias Eldayrie

- UF has successfully installed the 100 G network capability. We are only the fourth university to do that.
- The new data center opened last week at the East Campus. There will be an opening ceremony in either April or May.
- At the moment, students are the only ones who can download from Microsoft eAcademy. Faculty can only get media. However, IT is working with Microsoft to make downloads available for faculty.
- IT is working with the vendor to try and make drop box service more secure.
- Plans are to have another encrypted flash drive distribution.

Meeting adjourned at 10:43 a.m.
