Can this be added to the agenda for the next meeting as new business?

It is fine with me

**Subject:** Item for discussion at December's Welfare Council Meeting

Dear Alice,

This is Suzan Alteri (Welfare Council member). I'm writing to see if it would be possible to put an item on the agenda for the meeting on December 7.

Paul Ortiz and others have been working hard with other members of Faculty Senate to attempt to resolve some of the issues surrounding OPS employees at the university. I know many faculty outside of the Senate are also interested in this issue (pay for hurricane days, etc.). Would it be possible to have someone from the group speak for about 10 minutes on this issue? I was thinking that a resolution might be good, if the Welfare Council is interested in supporting.

Paul Ortiz has already spoken at the general Faculty Senate meeting in November and will be meeting with the Infrastructure Council on December 14.

I have cc'ed my colleague Laurie Taylor, who is one of the faculty members working on OPS issues, as I am currently out of town.

Please let one of us know if there is room in the agenda, and if there is anything else I should do (email Sue Alvers?).

Thank you and hope you had a nice holiday!  
Suzan
