  - Working with UF Communications group to craft a statement as to why this is not the best idea.
- **Update from Board of Trustee meeting**
  - Performance based metrics were discussed.
  - This was Dr. Stedman’s last BOT meeting as Faculty Senate Chair.
  - Gave a College Faculty Council Chair meeting report to the BOT. These are chairs from each college’s assembly, advisory group or council. Concerns from the meeting were:
    - Concerned about parking
    - Course evaluations (UF in the process of updating)
    - Changing expectation for promotion and tenure
    - Online Education

**President’s Report (video)**  
**Kent Fuchs**, President

- UF is working with Federal Relations staff of the AAU to provide input on President Trump’s proposed federal budget outline. UF has concern about future of the National Endowment of Humanities and the National Endowment of the Arts. UF is also concerned about proposed cuts to the budgets of a number of other federal agencies such as National Institute of Health Budget
- Florida Board of Governors asked the state universities to begin an enhanced government initiative. Universities are to develop a clear set of guidelines and policies concerning approval of significant financial commitments by the university and affiliates and appointment of affiliate boards. UF developed a set of government standards and approved by the BOT. These standards should affect faculty members.
Provost’s Report

Joe Glover, Provost

• Search for Dean of College of Business is terminated. Another search will re-opened this summer. John Kraft will continue as dean.
• Plans are to interview three or four candidates this week for the new Institutional Research Director.
• UF revised metric #10 that concerned the BOG measurement of university success in the area of external grant dollars that UF brought in. The new metric #10 is the number of licenses and options executed. This will be reported spring 2018.
  o For the future, the BOG has asked the university BOTs to revise the university’s metric #10 and score no more than 7 for initial reports.
• “The Cost of Education” is one of the BOG’s metric. This metric was interpreted as the college’s cost to educate a student. The BOG is redefining the metric to mean the cost of education to the average student.
