- Comments:
 - ~~Please include statement allowing for excused absences without penalty in-line with UF policy. This is not limited to 2 absences.~~ [Removed, 11/14/22]
 - ~~Grading appears to be 100% assessed by the final exam. How is the “participation grade” derived and how is it included in the final grade?~~ [Updated, 11/14/22]

- Comments:
 - ~~Assessment items seem to be disordered in the form, the final “May” has no assessment listed.~~ [It appears that the formatting did not come through on the submitted form. The assessment item was listed first, and then the date. This has been reformatted for clarity (dates also provided in the syllabus). Email response, 11/26/22]
 - ~~Are there actual class meeting times?~~ [The class “meeting times” are the dates for each assessment that is included in the milestone. See syllabus for details.]
 - ~~Are readings meant specifically for this course or are they recommended supplements for the examinations?~~ [There are no readings associated with this course. Please let me know if additional clarification is needed.]
 - ~~While these are covered on the college policy link we would still recommend they be included in the syllabus for this course:~~
 - ~~Please include an excused absence/attendance/make-up policy in syllabus.~~ [Included]
 - ~~Please include accommodations statement.~~ [Included]
