

Assessment of Non-Negotiables of UF Quest Courses/Program

Student and Faculty Survey – see Qualtrics survey

- Student-centered
- Student engagement
- Every student is known
- Student-faculty engagement
- Intellectual Curiosity

Faculty Focus Groups

1. What was done in your class to make it more student centered?
2. How did you adapt the class to individual interests and abilities?
3. How did you engage with the students?

Syllabus Review (Already being done)

Note: Would also address in more detail through focus groups

- Essential/pressing questions
- Multidisciplinary
- Self-reflection
- Experiential learning
- Active learning

Organizational/Administrative areas

- Class sizes
- Sequential growth model
- Foundation of an intentional general education program
