

### **Distinguished Faculty Service Award**

~~This award is given to a faculty member for exceptional achievement in service to the University of Florida or the Faculty Senate. The award is not given for distinction in teaching or research. Generally, the referral to the committee will be made by the Faculty Senate Steering Committee. Upon approval by the Committee, the recommendation is forwarded to the Faculty Senate for approval.~~

### **Criteria for Steering Committee Awarding of Administrator Proclamations**

On behalf of the faculty senate, the steering committee may propose a resolution or proclamation recognizing the partnership and contributions of administrators to the operation and shared governance of the faculty senate. This recognition should be based on extended service and commitment to shared governance, support for faculty, dedication to the educational mission, and reliable engagement. Ideally the candidate should have been in service 7-10 years and should have gone above and beyond to facilitate the work of the senate. Generally, the referral to the Honorary Degrees and Distinguished Awards Committee will be made by the Faculty Senate Steering Committee.
