

Criteria for Faculty Senate Steering Committee Awarding of Administrator Proclamations

On behalf of the Faculty Senate, the Faculty Senate Steering Committee may propose a resolution or proclamation recognizing the partnership and contributions of administrators to the operation and shared governance of the Faculty Senate. This recognition should be based on extended service and commitment to shared governance, support for faculty, dedication to the educational mission, and reliable engagement. Ideally the candidate should have gone above and beyond to facilitate the work of the Faculty Senate. Generally, the referral to the Honorary Degrees and Distinguished Awards Committee will be made by the Faculty Senate Steering Committee.
