Campus Affairs: The Campus Affairs Committee serves as a liaison between the UAC and other campus units. Through meetings with other student affairs offices, the Campus Affairs Committee will provide the UAC with important updates and opportunities for collaboration, and will also help units outside of the

traditional advising realm understand the roles of professional academic advisors at the university. The Campus Affairs Committee will also be responsible for promoting the presence of advisors on campus, as well as the state and national level.

The Campus Affairs Chair serves on the Steering Committee, which meets monthly, and is also expected to attend the monthly general UAC meetings. The Campus Affairs Chair also serves a primary role in scheduling and coordinating guest speakers for the monthly UAC meetings.
