Response:

Sophomore Standing

Completing Prerequisites on UCC forms:

- Use "&" and "or" to conjoin multiple requirements; do not use commas, semicolons, etc.
- Use parentheses to specify groupings in multiple requirements.
- Specifying a course prerequisite (without specifying a grade) assumes the required passing grade is D-. In order to specify a different grade, include the grade in parentheses immediately after the course number. For example, "MAC 2311(B)" indicates that students are required to obtain a grade of B in Calculus I. MAC2311 by itself would only require a grade of D-.
- Specify all majors or minors included (if all majors in a college are acceptable the college code is sufficient).
- "Permission of department" is always an option so it should not be included in any prerequisite or co-requisite.

• If the course prerequisite should list a specific major and/or minor, please provide the plan code for that major/minor (e.g., undergraduate Chemistry major = CHY_BS, undergraduate Disabilities in Society minor = DIS_UMN)

Example: A grade of C in HSC 3502, passing grades in HSC 3057 or HSC 4558, and undergraduate PBH student should be written as follows: HSC 3502(C) & (HSC 3057 or HSC 4558) & UGPBH

Change Co-requisites?

Response:
No

Rationale

Please explain the rationale for the requested change.

Response:

The FLL (Foreign Languages and Literature) major is a multi-track major. Students can major in one area track (e.g., German, French) but are expected and encouraged to take courses in other tracks as well. In practice, the existing prerequisites limited the course to only Japanese track majors and excluded others. This change is designed to make the course more accessible to other students on different tracks in the FLL major. The course focuses on Japanese visual and pop culture. It takes an in-depth look at important contemporary visual texts. Students analyze these texts and conduct meaningful research on them. All readings are in English; no knowledge of Japanese is required and thus no Japanese courses are needed as prereqs. Students with Sophomore standing are in a good position to take this course.
