Division of Student Life Update for the UF Faculty Senate

Dr. Heather White
Vice President for Student Life

AI AND THE FUTURE OF WORK

Ensuring all students have the opportunity to engage with AI technology in their journeys as scholars and future professionals in an AI-enabled workforce.

- New shared position with AI² Center, Assistant Director for AI Career Pathways
 - Started Fall 2022
- AI & Computer Science Engineering Day at Career Showcase
 - 52 employers
 - 1640 students (11 colleges, 64 majors)
- Host Deloitte's Future of Work Institute
 - Spring 2023

AI Career Focus Areas

EDUCATE

INFUSE

CONNECT

ELEVATE

STUDENT ENGAGEMENT

Creating pathways for engagement, community, life skills development and support.

- Highlights
 - Early Arrival Programs
 - Great Gator Welcome
 - Signature Events
 - First Year Florida
 - Student Success Survey
 - Greek Membership Development Program
 - Golden Gator Council

HOLISTIC WELLBEING

Medical Amnesty

- The Medical Amnesty Policy was updated recently to 1) extend eligibility to include student organizations and 2) provide increased direction regarding the requirements to be considered for medical amnesty to better inform decision-making in a possible medical emergency involving alcohol and/or other substances

Storm Response & Support

- 19,551 emails sent, 20 Florida counties
- On-campus residential facilities remained open with 24 hours a day on-call staff support

Kognito & Hazing Prevention Education

- About 1000 members of the Greek community have completed each training

Hitchcock Field & Fork Pantry

- We have secured a grant and donations of \$45,000 from PepsiCo and \$5,000 from Winn-Dixie in collaboration with Business Affairs

Support Services

- New Graduate Care position in collaboration with the Graduate School
- Additional support through the BetterMynd & Arise Wellness
- Students can now schedule appointments with the CWC online

ADVANCING WELLNESS

Counseling & Wellness Center

- CART (Consultation and Referral Team)
- 15.3 Days: Average wait for an initial consultation in fall 2019 for students not in crisis
- 2.6 Days: Average wait for an initial consultation in fall 2022 for students not in crisis
- Students in crisis currently have no wait time for an initial consultation

UF Wellness Module

- Students now have access to “UF Wellness” through their ONE.UF account
- 10 different health and wellbeing resources have information included in addition to crisis support

UF Wellness Mobile Application

- Student Life, Information Technology, and Student Government collaborating to create a new wellness app for students
- Provide more proactive support and resources directly to students in mediums they use most
- App should be live by March BOT meeting

PARTNERSHIP OPPORTUNITIES

- Become familiar with the UF Wellness Mobile Application and refer students accordingly
- Encourage students to complete the Kognito training
- Promote community engagement amongst our students
- Share industry connections and needs with C3 to best support all students
- Continue to communicate ideas and paths for partnerships!

THE FUTURE OF THE STUDENT EXPERIENCE
