*Faculty Excellence & Advancement*

# What's changing?

## *In the coming year...*

Online Promotion and Tenure System (OPT) becomes obsolete

A new **platform** designed to streamline the faculty evaluation, promotion and tenure processes

A **single point of entry** for review with data pulled from existing sources to ease entry burden

## *... and beyond*

Ability to identify opportunities for:

- Collaborations within and outside of UF
- Funding and honorific awards
