- Please update the course description to match what was approved by the state:
  - IN THIS COURSE, PARTICIPANTS WILL INVESTIGATE THE HISTORY AND CULTURE OF AMERICAN MUSICAL THEATRE THROUGH MUSIC, CHOREOGRAPHY, ACTING, DIRECTING, AND DESIGN OVER A CENTURY OF PERFORMANCE.
- Please update the link to UF general Education Objectives (Humanities) on page 1
  - https://curriculum.aa.ufl.edu/general-education/general-education-subject-area-objectives/
- Please clarify/specify how the subject area objectives align with this course. Assessments are described but not course specific objectives that lie within the broader Gen Ed Humanities Objectives.

- Could you please add reading lengths / word counts / page counts (assigned readings) and length (assigned multimedia / audio-visual items) to each mandatory assignment. Please see #6 of the General Education Syllabus Policy.
- UF does not use an F in the grading scale, could you please update the grading scale for "<60" to be an E.

Discussion:

- Could you please confirm that the religious observance absences do not need documentation. The review subcommittee wanted to ensure that these absences would not be counted in the 3 free absences mentioned in the attendance policy.
