Review and Approval of the minutes from February 23, 2019 meeting

Approved minutes will be published on the IAC website.

Review of Senior Athlete Exit Interviews - Mike Katovich

Feedback was positive. Noted low response rate. Suggested alternative processes; maybe electronic. A review of the process, questions, continuance. A committee headed by Mike Sagas will address the issues during summer.

Student-Athlete learning materials - Jeff Guin

Most student athletes are using the opt-in/e book options. Money is not provided for books.

Processes and Procedures associated with the admission of student athletes - Lynda Tealer, Jamie McCloskey

In light of the higher education admissions issues that had been recently publicized, the Associate Athletic directors took an in-depth look at the last ten years with close attention to walk-ons, team drop-outs, etc. The data and consultation with head coaches and staff revealed consistent adherence to established policies and protocols that are designed to prevent the abuses publicized.

FAR Report - Mike Sagas

Made faculty senate presentation will report in Fall.
