The American Indian and indigenous studies minor focuses on North, Central, and South America with additional interdisciplinary focus in anthropology, archaeology, art history, human ecology and environmental studies, linguistics, oral history, political science, and religion.

About this Minor

- **College:** [Liberal Arts and Sciences](#)
- **Credits:** 18, completed with minimum grades of C and no optional S-U
- [Related American Indian and Indigenous Studies Programs](#)

Overview

Students must take 18 credit hours for the minor. Two required courses, for a total of six credit-hours and four elective courses, of twelve credit-hours. The two required courses are exclusive to the minor and cannot count toward the major(s) or other minors. Three of the elective courses must be taken at the University of Florida.

The election of a minor is noted on a student's transcript, but it is not reflected on the diploma. Students should consult the catalog for important undergraduate information and description of AIIIS courses.
