1. Approval of minutes of September 18 meeting.
Minutes were approved as written.
2. Update from Faculty Senate
Dr. Mair reported that the Faculty Senate continued to evaluate new General Education legislation. He informed the UCC that 5 General Education committees have been formed. UF has a member on four of the five committees and an alternate on the fifth. Dr. Mair will recommend that the Faculty Senate provide information regarding this process on its website.
Dr. Mair will present proposal for Joint courses at the next Senate meeting.
3. Proposed curriculum change to the Extension Education minor, effective Summer B 2013. Dr Turner presented this request to make minor revisions to the required and elective courses for this minor. This request was approved.
4. Proposed name change to the concentration in Toxicology within the Environmental Science major, effective Summer B 2013. Dr Turner presented this request to change the concentration name from Toxicology to Premedical. This request was approved. Please note that concentration name was changed to Preprofessional by agreement of the provost's office and the College of Agricultural and Life Sciences.
5. Proposed curriculum change to the Sustainability Studies major and minor, effective Summer B 2013. Dr Pharies presented this request to add two courses to the list of course options. This request was approved.
6. Proposed curriculum changes to the Psychology major, effective Summer B 2013. Dr Abrams presented this request to remove STA3024 from the critical tracking requirements for the Psychology major. This request was approved.
7. Proposed name change for the Astronomy Bachelor of Science degree, effective Spring 2013. Dr Pharies presented this request to change the name of the

Astronomy Bachelor of Science to Astrophysics Bachelor of Science. The purpose of this request is for the name to more accurately reflect the hard science nature of the BS track. This request will require Faculty Senate approval and was tabled (one dissenting vote) with the recommendation to submit hard numbers on faculty support for the change.
