Health and Human Performance

1. APK 4XXX - Artificial Intelligence for Movement Sciences

[CA]

URL: <https://secure.aa.ufl.edu/Approval/reports/19515>

Comments: Teaching center is no longer located in Broward Hall.

Suggest consult with Biomedical and Computer Science.

No phone number provided.

Academic Honesty wording is not the standard verbiage:

“**Academic Honesty:** On all work submitted for credit by students at the University of Florida, the following pledge is either required or implied: ‘**On my honor, I have neither given nor received unauthorized aid in doing this assignment.**’ Any student found violating this honor code will receive a zero for that exam or assignment and may be assigned other educational sanctions at the instructor’s discretion.

<https://sccr.dso.ufl.edu/process/student-conduct-code/>”

The link for UF’s Computing Requirement Policy does not work.

2. HSC 3XXX - Introduction to Health and Wellness Coaching

[CA]

URL: <https://secure.aa.ufl.edu/Approval/reports/19905>

Comments: Need to update links (attendance and Honor code links do not go to correct pages).

Exam make-up policy cannot force students to conduct more rigorous examinations than their peers. Questions can certainly be different if they test the same material, but not more difficult than expected of other students.

I do not believe the Teaching Center is located in Broward Hall any longer.

Please revise to 15-week schedule.

Please add office hours and location.

Is the attendance policy wording, okay?

Personal conduct policy wording?

“Outline for them exactly what that means in the context of your course.”

“Furthermore, you are obliged to report any condition that facilitates academic misconduct to appropriate personnel.” Is this addition to the Honor Code, okay?

No header on In-Class Recording Policy.

Not all campus resources listed for Health and Wellness.

Grading: “Questions related to grades must be asked through the Canvas Inbox within 7 days of when the grade is presented.”

Question grades versus disputing grades? Make clear.

3. HSC 4XXXC - Health & Wellness Coaching Application

[R]

URL: <https://secure.aa.ufl.edu/Approval/reports/19908>

Comments: How do the first 7 weeks of this course differ from the HSC3XXX Intro course on this agenda (using same texts)?

Make sure to revise prerequisites when other class is approved – HSC3XXX unclear.

Honor code link needs to be updated.

Liberal Arts and Sciences

5. ENC 2XXX - What's Love Got to Do With It? (Quest 2 Permanent)

[CA]

URL: <https://secure.aa.ufl.edu/Approval/reports/18630>

Comments: Syllabus weekly topics area should be in 15-week format, not 16 weeks.

Honor code link needs to be updated; it is no longer working.

Disability Resource Center link needs to be updated, <https://disability.ufl.edu/students/get-started/>.

Where is the wording coming from in syllabuses? Featured in several:

“Furthermore, students are obligated to report any condition that facilitates academic misconduct to appropriate personnel.”.
