Meeting was called to order at 1:03 p.m.

Minutes from the March meeting were approved.

The Budget Council finalized the RCM report. Members reviewed blog and email responses that were received. There is continued concern from faculty about how RCM will work with interdisciplinary programs. Regina Bussing is to make the final edits before sending on to Mary Ann Ferguson, (Chair of Faculty Senate) and making the final report public.

Matt Fajack gave a short report on the legislature. So far, nothing has come out of conference. Looks like the state will honor PECO funds for renovations that have been already been approved, however, will not fund future projects.

Marc Heft was elected Chair for next year.

Next meeting is May 23, 2011 at 1 p.m.

The committee adjourned at 2:02 p.m.
