

## Proposed Welfare Council Message to Faculty

Dear Colleagues:

We wanted to thank you for the exceptional work you do to make the University of Florida a welcoming place for all to excel. We also understand that the past few years have been difficult for so many reasons. We wanted to remind you that the Welfare Council's work focuses on supporting and improving the quality of faculty life in various areas such as faculty rights and academic freedom, diversity, paid leaves, and more. So please, do not hesitate to reach out to us if you would like us to look into specific issues or work on certain projects.

You can find more [information on our website](#).

Sincerely,

The Faculty Senate Welfare Council

Best,

Hélène
