## FACULTY SURVEY

- Gain insight into faculty members' behaviors, attitudes, and beliefs around academic integrity.
- Correlate with data from ICAI Student Survey.
- Use results to enhance policies and practices at UF to help remove impediments to student learning.
- Raise awareness of resources available to faculty through the Center for Teaching Excellence.

### Faculty Observations of Academic Integrity Violations

## What particular safeguards, if any, do you employ to encourage integrity and reduce cheating in your course(s)?

If you have ignored a case of potential cheating (academic integrity breach) in on of your courses, which if any of the following factors influenced your decision?

O C T O B E R 2 0 2 3 | 3 1 2 R E S P O N D E N T S

During the last 12 months, please indicate approximately how often, if ever, you have observed a student using an AI tool to compose or paraphrase all or part of an academic assignment.

For the assignment(s) in which they used an artificial intelligence tool, was their use of the tool (select all that are true).
