911 Response

Special Event Standby

Community Health

American Heart Association CPR

- **\$5 CPR Course**
 - **Cheapest in the Gainesville Area**
- **Common requirement for volunteering, research, employment opportunities, etc.**
- **Participants receive hands-on training using adult and infant mannequins with real-time feedback**

HEARTSafe Campus

- **Working to train 5% of the UF population (3,100 people) in hands-only CPR**
- **Ensures highest chance of survival if cardiac arrest were to happen on UF campus**

Stop the Bleed

*****Note: UF has STB kits in the majority of AED Boxes on/around Campus*****

- **Learn to:**
 - **identify major bleeding**
 - **tourniquet/wound packing**
 - **bleeding control**
- **All participants receive a certificate verifying completion**
- **Part of National Stop the Bleed program (by the American College of Surgeons)**

Substance Education and Narcan Training

- **In-depth explanation of medical amnesty**
- **How to recognize alcohol poisoning/drug overdose**
- **Hands-on training on interventions**
- **Narcan training**
- **Goal is to emphasize taking action in an emergency and calling for help**

Emergency Skills Workshop

- **Stations-based class**
- **'Hands-only CPR'**
 - **interactive feedback mannequins**
- **Basic first aid/bandaging**
 - **gauze and other materials**
- **Signs of Opioid/Alcohol overdose**
 - **How to use/administer narcan**
- **Work with organizations/greek life to train & prepare their members for any type of emergency**

Community Partnership

- **Bridging the gap in healthcare education and support**
- **Events/tabling tailored to the unique needs of our peers**
- **Empower students to take charge of their well-being**
- **Work alongside campus organizations to bring healthcare information and resources to diverse student populations**
